

## DISPATCH

01 July 2021

Ladies and Gentlemen,

We apologise to all for the short notice regarding the cancelling of speaking events in NSW with Riccardo Bosi in Newcastle, Wollongong and Queenbeyan, but we were warned the lockdown was coming, we have been warned about the risk to the unvaccinated... and we **know** that the politicians and their bureaucrats are using this to **TEST HOW COMPLIANT YOU ARE**.

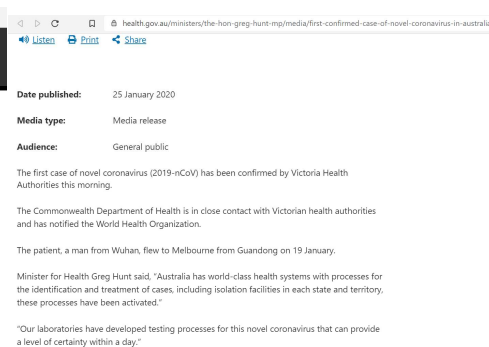

**PLEASE RESEARCH ALL HERE FOR YOURSELF – we share it with you because you are NOT told anything but ‘the narrative’ they WANT you to know.**

**Let’s look at the facts:**

1. We and others have been telling you for over a year that our politicians and their bureaucrats have not been telling you the truth about this ‘virus’, that is:
  - a. **So deadly and virulent...** that it has never been seen in nature before,
  - b. **So deadly and virulent** that, based on records currently available, the W.H.O knew about it in December 2019, told nations about it 5 January 2020 and YOU are only told about it by Australian politicians 25 January 2020, 6 days after the first reported patient arrived from Wuhan to Melbourne (See image 1 and 2),

(Image 1)

(Image 2)

- c. **So deadly and virulent** that the Ruby Princess (ship) departed and arrived back in March 2020 (Sydney) after an eleven-day cruise, around the islands (NOT China), with sick passengers on board... and ALL allowed to depart and arrive back WITHOUT restriction:  
<https://www.rubyprincessinquiry.nsw.gov.au/>

- d) **So deadly and virulent** that anyone who called out it's 'birth place' as China, was called a 'conspiracy theorist' (even though the W.H.O knew and so did every Government by January 2020).
- e) **So deadly and virulent** that, 'conspiracy theorists' have been trying to tell you for over a year that it **WAS** manufactured – and now that Fauci's emails are out there, **THEY** can no longer deny it (see how much the media 'ran after' Fauci – but still **NO** questions about the legitimacy of the vaccines):

i. [https://www.youtube.com/watch?v=fOLJEUt\\_aPU](https://www.youtube.com/watch?v=fOLJEUt_aPU)

- ii. But some **American and Indian** politicians and lawyers are asking the **REAL** questions, and **FIGHTING BACK** ... and **OURS ARE NOT**:

- g) **So deadly and virulent** that pharmaceutical companies (some linked with the same lab, the same people responsible) are capable of creating a 'vaccine' within a short few months and able to provide these experimental 'vaccines' to you **WITHOUT RECOURSE** if they effect you (like they did the animals used first): thank you, Health Minister Greg Hunt:

  - i. **So deadly and virulent** that Australian politicians wish to refer **YOUR QUESTIONS** about the 'vaccines' or Fauci / China / Pharmaceutical companies to the Australian Federal Police... because IT'S CRIMINAL!

  - a. <https://www.dropbox.com/s/uf6v9000kwlb8pa/2021-06-27%201%20Fed%20Gov%20is%20lying.mp4?dl=0>

Australia, you may not like lawyers or doctors at the moment, but as a retired barrister said to me recently:

**'If 1,000 lawyers and 10,000 doctors are uniting, then it's a red flag everyone should be paying attention to'.**

q) **So deadly and virulent** that health regulators around the world lie to you about the true death rates, and politicians lie to you to scare you to take the experimental vaccine:

Dr. Tim Conway

The electron micrograph image below, taken from a cell culture, is what virologists present as evidence of the existence of SARS-CoV-2. However, according to a paper titled 'Appearances Can Be Deceiving – Viral-Like Inclusions in COVID-19 Negative Renal Biopsies by Electron Microscopy,' published in the August 2020 issue of the journal *Kidney360*, researchers found IDENTICAL particles in people who were 'negative for coronavirus disease 2019 (COVID-19)' as well as in renal biopsies from the pre-COVID-19 era. The paper's authors list 'a number of potential natural mimickers that can generate groups of round vesicles mimicking SARS-CoV-2 virions ...'

In other words, well before the COVID era, and in patients who did not have COVID or tested negative for SARS-CoV-2, researchers were finding 'vesicles' that were indistinguishable from SARS-CoV-2. These findings affirm what I and others have been saying for more than a year: These particles, labeled as SARS-CoV-2, are actually normal components of dead and dying tissues. They are not pathogenic viruses.

Another bombshell from this paper: In a 'detailed, ultrastructural study' from 2003, the CDC acknowledged that 'SARS-CoV' particles (supposedly responsible for the 2003 SARS outbreak) could not be distinguished from 'normal cellular components.' This means that the CDC knew in 2003 that the images they were calling coronaviruses were nothing other than 'normal cellular components.'

It is of serious concern to us when advice from those you are told to trust or you elect – government appointed doctors, politicians and the like – is not what is being shared around the world, and worse, intentionally suppressed.

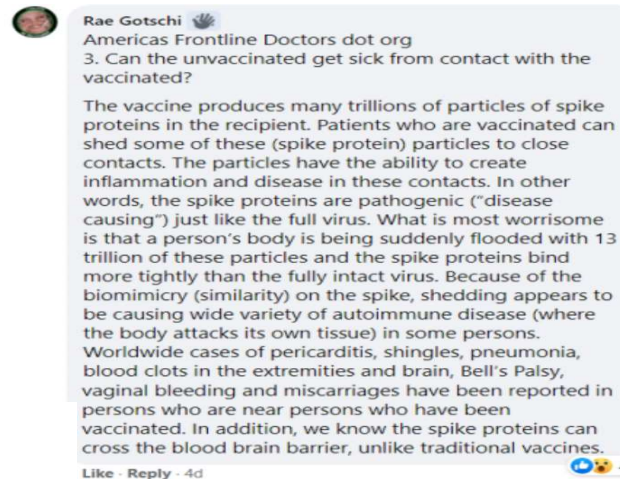

Let me make **AustraliaOne**'s position very clear - We are not anti-vax, we are for full and frank disclosure.

If you are paying for 'it',  
If 'it' is being 'forced' upon you through force or fraud and it leads to the reduction of your civil rights and those of others...

We in **AustraliaOne** Party **ARE** against 'it' and those enforcing 'it'.

### **How much more do YOU need to be spoon-fed before YOU will inform YOURselves?**

Australia's politicians and their bureaucrats **DON'T** want you informed, to stand up against them, they **DON'T** tell you of the risks to **your health, your sovereignty**, they **want** you to be fearful, to be beholden to them...they **ARE** the archetypal 'abuser' and you **ARE** their compliant victim:

<https://drowninginabsurdity.org/2020/06/20/ideological-subversion-and-you-wont-even-know-its-happening/>

But if you want to save yourselves and others you **MUST** not fall for their 'divisions' and 'distractions', you **MUST** make your 'voice' heard – irrespective of our gender, how much melanin is in our skin, where your forefathers and mothers came from.

Why do you think **WE** started A1?

We could see Australia being sliced like a pie with vested interests – can you?

### **So, what have these medical 'conspiracy theorists' and whistle-blowers suggested?**

- Zinc
- Vitamin C – this will help in the absorption of the Zinc,
- Vitamin D3
- Quercetin – best found in tonic water

Or for those **who need it**:

- Hydroxychloroquine and Ivermectin.  
<https://cairnsnews.org/2021/02/24/sources-of-hydroxychloroquine-and-ivermectin/>

**AND SCOMO AND THEIR MEDICAL 'PROFESSIONALS' SAY NOTHING.**

**But YOU must do your own research and YOU must think for yourselves.**

**In short:**

1. **is there a human creation affecting the vulnerable (immune compromised) and those who have not consented? – yes.**

2. Is it what the Australian politicians and their bureaucrats are telling you? – No, but they don't allow for you to hear from those in the industry or worse, whistle-blowers, so how can you make up your mind? Where's YOUR choice?
3. What do politicians and bureaucrats want YOU to do? – **SUBMIT WITHOUT QUESTION.**
4. What **WILL** you do? – that's up to YOU, and that's YOUR responsibility:
  - 'be silent', then its your fault what others do you and yours;
  - 'don't research for yourself', then you leave yourself beholden to others;
  - 'keep your head in the sand', and watch and wait...

**Remember: the more YOU 'DON'T', the more THEY 'WILL'.**

#### **QUESTIONS TO ASK YOURSELF:**

- Politicians are elected to make decisions that you are too busy to make, and you elect them to make for you. While **in Parliament** politicians have Parliamentary Privilege... but not outside.
- Did you know there are NO ABSOLUTE legal protections for bureaucrats that politicians have.
- So why are politicians handballing their decisions for you to unelected persons?

**Just a thought, where are Australian lawyers? Don't they realise their families are at risk too?:**

**RTA (NSW) vs Dederer (2007)** – case where kids were diving off a bridge where warning signs were already up advising of danger, child jumped and became a paraplegic due to injury; case was taken to the High Court. The decision came back 7-0 rejecting Dederer lower court verdicts: **it's not a govt's role to protect against injury, govt's role is to act reasonably.**

<https://www.mondaq.com/australia/rail-road-cycling/51912/roads-and-traffic-authority-of-nsw-v-dederer-2007-hca-42>

**For those old enough, when AIDS came out as the 'new and deadly disease' in the 1980's:**

- was the World locked down?
- were you house-bound?
- were you having to register everyone you kissed / slept with?
- Did you have to register your movements with the shop owner or government?

**Or were you told of the risks and told to be careful?**
